

To all BK members,

Two amazing local west island ringette associations (PCRA www.ringuettepointeclaire.ca and BKRA www.ringuettebk.ca) have come together again to raise money for the Montreal Children's Hospital-Trauma department.

In 2010 we initiated an annual charity ringette game to raise funds for the Juvenile Arthritis department at the Children's. Stemming from the fundraising success, we partnered with the Montreal Children's Hospital to raise money for the new state-of-the-art hospital which opened its doors in spring 2015. This resulted in \$10,000 in donations!!!!!!

This year's event will be held **Saturday April 8th** at Beaconsfield arena.
Ring drops at noon!

This special event will feature the best of the best from the NRL (National Ringette League) in a skills competition and a game !

We are asking friends, family, coworkers and employers to support the Montreal Children's Hospital. Any donation you can make will be greatly appreciated.

Online donations may be made directly on the secured MCH foundation web site at :

<https://fondationduchildren.com/collecte/ringuette-gives-back-charity-game2017/>

We hope to see all of you on Saturday April 8th.

Thank you in advance for your support!!

Hugs and kisses from all the sick kids at the children's

Lisa Yee
